

FROM THE DESK OF

JOHN AND KIM O'MALLEY

May—June 2018

Dear friend and supporter of our ministry,

Hopefully, as Christians, we wake up each day with a desire to do His will. In May, I was reminded that the Lord ordained a month different from what I planned. When God surprises us, it should be no surprise. God gives reminders of grace, peace, and His presence when trials come. God did that for me in May.

I scheduled May with plans to travel for training, preaching, and encouraging. Having just returned from India for a funeral, God chose to take two of His servants home within a few days of each other.

Each man was a friend. Each man left a profound absence. Each man had a passion for the Lost. Each man God used in their lifetime to influence others for world evangelism.

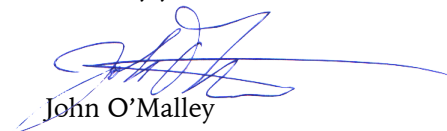

Speaking at the two funerals of these two men reminded me of the quote from William Carey. "When I am gone, say nothing about Dr. Carey; speak about Dr. Carey's Savior."

On the third Monday of June, World Wide New Testament Baptist Missions always holds its annual Family Fellowship Week meeting. This year it was at my home church, Faith Baptist Church of Shelby, NC. Family Fellowship Week is a time of training, fellowship, renewal, and joy. God did all of that and more with our missionaries.

God opened places to preach the word, proclaim the Gospel, and help churches accomplish their missions giving goals. I spoke on both Coasts of the USA and many points in-between.

Please pray as World Wide New Testament Baptist Missions hold an encouragement for missionaries in August in Germany. Kim and I will attend the conference. We are expecting over 40 guests to come from that region of the world to be encouraged and uplifted. The dates are August 20-24. Please pray for safety, wisdom, and for us to be an encouragement.

Sincerely yours,

John O'Malley
