

February 2023

Dear Praying Friend,

Each Sunday this month, God allowed me to be in a church presenting the work of the ministry, the word of God, and preaching the Gospel. We saw several trust Christ as their savior.

Kim met me at a church in Tennessee for a missions conference. This church's Faith Promise commitment went over \$300,000. When a church sees her role in the Great Commission, believes God can, and rehearses the command of God, great things happen.

God continues to call missionaries into His work. We are working with new applicants at World Wide New Testament Baptist Missions.

I am leading 20 people to Scotland on our See the Harvest trip in June. See the Harvest is a World Wide New Testament Baptist Missions and Ambassador Baptist College joint ministry effort. See the Harvest helps people See, Learn, and Do mission work.

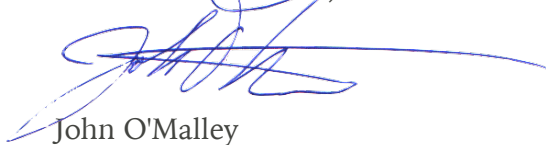

We will evangelize and distribute Gospel literature in more than 25,000 homes in Scotland.

The Lord made it clear that the harvest is visual. We are to lift our eyes. We are to look at the fields. We are to see their ripened color. We are to pray for the harvest.

Please pray for those who will travel with me. Pray for the health and safety of the team. Pray for open hearts and open doors. Pray for the homes that will receive the Gospel. Pray for souls to be saved. Pray for someone to be called.

Would you pray for my financial need? The trip to Scotland is \$3500.00. I do need financial assistance in going. Please pray it will all come in for my trip. You can give to World Wide New Testament Baptist Missions and mark See the Harvest for John O'Malley.

Yours for the harvest,

John O'Malley
