

FROM THE DESK OF

THE O'MALLEYS

March—April, 2018

Dear Friend and Supporter of our ministry,

Thank you for allowing us to represent you and your Great Commission interests. Your investment in our family enable us to help churches, missionaries, and students do God's will for their lives in relationship to God's mission. Without your investment:

- We could not have trained and encouraged missionaries in twelve meetings over this two month period. Bi-monthly we meet twelve times with our missionaries on the field and on deputation. We meet by video conference and have times of inspiration and training.
- We could not have helped in the vetting and interview of a Deaf Church Planter to Philadelphia. Matt Dundon was approved in March to be World Wide New Testament Baptist Missions' first deaf missionary.
- We could not have assisted six churches with their Missions Conferences.
- We could not have participated in the training of PTSD Counsellors with Armed Forces Baptist Missions.

In April, I received a call from India. The call was profoundly sad. Dr. Eric Franks, a missionary with World Wide New Testament Baptist Missions since 1986 went to be with the Lord. The family asked me to come and preach the funeral.

I was concerned about getting a Visa. (*The last trip I attempted to go to India I was asked to sign an agreement that I would not preach while in the country. Yet, I knew I would be preaching his funeral.*) In a few days time, God made a way and no form was presented for me to sign; I was on my way to India.

At the Cemetery with some of Dr. Franks' Family

Forty-eight hours later, I stood in front of a mourning congregation. Hundreds of people came from across India. Some were Hindu. Others were Muslim. Some were even agnostic. There were many Christians. Eric Franks lived a life for the Lord. The influence of his life is known only in Heaven.

Without your investments, I could not be where the Lord sends. Without your prayers, I would not sense His peace or power in the same way. Thank you for your interest and investment in the O'Malleys.

Sincerely yours,

John O'Malley
